by GHOSTBURGER

Born from the iconic spirit of Philadelphia and brought to life at Expo City Dubai, your go-to spot for unforgettable burgers. Our menu features South Philly Cheesesteaks, crispy wings, and the legendary Ghostburger. Enjoy live sports, or a round of pool and darts, there's always a reason to drop in, grab a burger and soak up the Philly vibe.

Named after the Arabic word for "connection", this unique architectural achievement was known as the beating heart of Expo 2020 Dubai. Its massive steel trellis dome, measuring 67.5 meters high, houses the world's largest 360-degree projection surface. Al Wasl Plaza hosted some of the most exclusive events in the City.
